

Edgewood City School District Announces Digital Ticketing for 2021–2022 Events

HomeTown Fan App makes buying tickets for school events convenient, quick, and easy from any mobile device.

Trenton, OH– August 16, 2021 – Edgewood fans and guests will once again have a more convenient way to buy tickets to Cougar athletic events during the 2021–2022 school year thanks to a partnership with HomeTown Ticketing, the leading digital ticketing platform for high schools in the U.S. HomeTown will provide complete digital ticketing and event management platforms for Edgewood Cougar public events beginning with the football home opener this Friday, August 20th.

The transition to digital ticketing will result in a reliable and simple experience for Edgewood fans and allow school staff to more easily and effectively manage all public events that require tickets for entry.

“Last year proved the ease and efficiency of utilizing the Hometown digital ticketing system and we are happy that the SWOC as a conference has adopted this system and Edgewood is proud to announce there will be no additional fees at checkout” said new Director of Athletics Larry Cox.

Tickets for Cougar events can be purchased either through the Edgewood website (<https://edgewoodcougarathletics.com/event-tickets>) the SWOC website (<http://www.swocsports.com/tickets.aspx>) or by downloading the HomeTown Fan App. The HomeTown Fan App will allow guests to manage their entire ticketing experience on most iOS or Android mobile devices. Fans can:

- Search for local events by school name and school zip code.
- Choose their favorite schools and organizations to keep updated on the latest events.
- Purchase and access tickets from their smartphone or mobile device, making it easy to review purchases and scan at the gate.
- Enter the events. All tickets and passes can be scanned directly from the app to enter events, providing for true touchless redemption.

“We are so excited to help Edgewood streamline event management and make it easier for Cougar fans to cheer on their favorite students on the field or on stage,” said Ryan Hart, HomeTown Ticketing Chairman and CEO.

Nationally, HomeTown provides paperless ticketing platforms to thousands of schools that have shifted from traditional paper ticketing to a modern solution to manage all aspects of their event management. Using HomeTown Ticketing for event management also has several benefits to the school district including:

- Paperless transactions that are easy to track and reduce accounting errors.
- Ability to control maximum capacity for each venue or event to manage attendance.
- Eliminates the need for in-person advanced ticket purchases at school.
- Maximizes efficiencies of athletic and administrative staff that oversee the ticketing process.
- Removes the need for handling cash by offering cashless payment options for fans.
- Speeds up event admissions.
